

HOW TO USE BRITANNICA IMAGEQUEST™ IMAGES

The images are rights-cleared for “educational, non-commercial use.”

This means that they can be used by anyone within your institution as long as the material produced is educational in nature and is not sold, for example,

Academic blogs written by your faculty or students

Educational purpose posting on your institution’s social media sites

Free online or print publications

Teacher lesson plans, study aids, exams and classroom activities

Promotion of events and services on your website, in advertising, or in marketing materials

Homework, projects, reports, presentations and dissertations

Papers, books, articles and e-books

Educational course content

Technology displays or presentations using an interactive whiteboard or electronic slide show

Displays by social groups on websites, in publications, presentations, or exhibits

Original images in ImageQuest can be modified in such ways as cropping or changing the color. This is permitted as long as the modified image is not generally viewed to be obscene, defamatory, threatening, or hateful.
